DECLARATION IN SUPPORT OF PETITION UNDER 37 C.F.R. 1.47(a)

Sir:

I, Elsa Liu, DECLARE as follows:

1. I am Human Resources Officer of Bel Fuse Limited.
2. I had direct contact with Mr. James Man Tat Yip, regarding the above-identified application.
3. Mr. Yip is one of the joint inventors of the above-identified application. He resigned on June 20, 2001 and, according to his previous manager, is now working for one of our key competitors.
4. I firstly sent the Declaration and Power of Attorney and Assignment (formal papers), by Registered Post, to Mr. Yip on November 24, 2001 for his signature at the following address: Room 603, Block A, Galaxia, Diamond Hill, Kowloon, Hong Kong. A copy of the return receipt in Chinese is attached as Exhibit A. Mr. Yip refused to sign due to insufficient information.

5. Then, I sent the formal papers to him again with the relevant specification and drawings, by Registered Post, on January 14, 2002 at the same address as the formal papers were sent to him on November 24, 2001. A copy of the return receipt in Chinese is enclosed as Exhibit B.

6. Because I had not received any reply from Mr. Yip, I contacted him by phone on January 21, 2002 for the return of the signed formal papers. However, he refused to sign and claimed that he would not do any favour to Bel Fuse Limited as the Company refused to provide an employment reference letter to one of his ex-colleagues.

7. The last known address of Mr. Yip is:

Room 603, Block A
Galaxia
Diamond Hill
Kowloon
Hong Kong

8. I further declare that all statements made herein are made of my own knowledge and are true except for those statements made on information and belief, which are believed to be true, and further that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of this declaration of this application and any United States patent issuing therefrom.
